

The 1,000 Books Before Kindergarten program is a nationwide challenge that encourages parents and caregivers to regularly read aloud to their children.

Research shows that the most reliable predictor of school success is being read to during early childhood. Reading to children from an early age can help close the vocabulary gap and prepare children to enter kindergarten with the skills they need to succeed!

Check off each backpack that you check out. Each backpack contains 10 books. Check out 100 backpacks and you've reached 1,000 books!
