

GAS WELL DRILLING ACTIVITY REPORT

For the week of September 21, 2020

Case Number	Address	Pad ID#	Operator/Pad Name	Activity	Status
GW#13-004	1865/1867 Callender Road	4 and 5	Eagleridge Woodland Estates	Plugging and abandonment activities are complete. Site restoration in progress.	In progress
GW#08-005	1671 Newt Patterson Rd. #3	7	XTO Energy	Plugging and abandonment operations on the 5H wellhead	Beginning 09/14/20

The status of Gas Well Permits, Pipeline Permits and drilling ordinance amendments may be found on the Application Status Report at https://www.mansfieldtexas.gov/sites/default/files/media/application_status.pdf

For gas well emergencies, dial 9-1-1.

Please contact the Gas Well Inspector at 817-276-4226 or art.wright@mansfieldtexas.gov for general inquiries and concerns related to gas wells or provisions of the City's drilling regulations. For other concerns, the Railroad Commission of Texas (RRC) has jurisdiction over well permitting and inspections, and the Texas Commission on Environmental Quality (TCEQ) has jurisdiction over environmental concerns. Please contact the RRC at www.rrc.state.tx.us or 512-463-7288. TCEQ created a Barnett Shale webpage (<http://www.tceq.texas.gov/airquality/barnettshale/bshale-main>) and accepts environmental complaints by calling 1-888-777-3186 or online at <http://www.tceq.texas.gov/compliance/complaints/index.html>.

GAS WELL PERMITTING STATUS

SUP Applications Pending	Wells Permitted	Wells Drilled	Wells Permitted/Not Drilled	Wells Annexed	Gas Well Permit Applications Pending
0	188*	190	0	2	0

*Permits issued by the City. Annexed wells were permitted by the TX Railroad Commission.
