## NATURAL GAS PIPELINE APPLICATION CHECKLIST

- Non-refundable application fee of \$2,000 and an inspection fee of \$2,250.
- Nine (9)** sets of plans, including a key map for the overall pipeline and alignment sheets with profiles.
- A Public Right-of-Way Use License must be submitted prior to this application if the proposed pipeline will cross any municipal rights-of-way.
- Easements must be acquired for all flow lines, gathering lines and flow back lines. The location of easements must be shown in a Pipeline Easement Map and included with this permit application. The filing information (volume and page or deed instrument number) must be labeled for each easement on the Pipeline Easement Map.
- A digital copy of the pipeline easement map using the North American Datum 1983 (NAD 83), Texas State Plane - North Central Zone (4202), United States. If a surface survey is used, provide the scale factor. Please show only the centerline of proposed pipe alignment with coordinates called out for the beginning and end of the pipeline.
- A digital copy of the alignment sheets in PDF format.
- A grading plan. No grading work may be done until this permit has been issued.
- A tree survey in accordance with the Natural Resources Management Ordinance identifying trees within or adjacent to a pipeline easement. Contact Stevon Smith, Landscape Administrator, at (817) 276-4231 for specific requirements.
- Name of representative with supervisory authority over all gas operations in the City and a 24-hour telephone number.
- Written approval of the U.S. Army Corps of Engineers **IF** the gas pipeline will be on property within the Corps' jurisdiction.
- A copy of the TxDOT permit if the gas pipeline will cross any state or federal streets or highways.
- Show any compressor facilities, metering stations, natural gas separators or other surface appurtenances intended to serve the proposed pipeline, along with a landscape and irrigation plan.
- The City does not regulate or enforce deed restrictions and/or covenants that might be associated with property where easements are acquired. The City recommends the verification of any deed restrictions and/or covenants prior to starting improvements.
