

CERTIFICATION OF HOUSE – POOL PROTECTION DEVICE INSTALLATION

I certify that I am the homeowner at: _____ and that one (1) of the following swimming pool protection devices has been installed between all doors leading from the house and garage into the swimming pool area per Section AG 105 "Barrier Requirements" of the 2000 International Residential Code.

Please initial one or both of the following statements:

____ All doors with direct access into the pool area are equipped with an alarm which produces an audible alarm when the door and its screen, if present, are opened. The alarm sounds continuously for a minimum of 30 seconds immediately after the door is opened and is capable of being heard throughout the house during normal household activities. The alarm automatically resets under all conditions and is equipped with a manual means, such as a touch pad or switch, to temporarily deactivate the alarm for a single opening. Such deactivation time lasts no longer than 15 seconds. The deactivation device is located at least 54 inches above the threshold of the door.

____ All doors leading into the pool area are equipped with self-closing and self-latching devices installed with the release mechanism located a minimum of 54 inches above the threshold of the door.
